

TONY JOJAN - CONTENT CREATOR

⌚ Dubai, UAE | tonyjojan@example.com | +971-543423467

OBJECTIVE

Creative and detail-oriented Video Editor & Content Creator with a strong passion for storytelling and digital media. Experienced in producing engaging gaming and entertainment content for YouTube. Proficient in video editing, motion graphics, and social media management. Seeking a position as a Video Editor / Admin Assistant to contribute technical, creative, and organizational skills to a dynamic team.

SKILLS

- Video & Design Tools: Adobe Premiere Pro, Photoshop, Canva, CapCut, Filmora, After Effects (basic)
- Digital Skills: YouTube Management, SEO Optimization, Thumbnail Design, Content Scheduling, Social Media Marketing
- Technical: Windows Administration, Microsoft Office, Google Workspace, System Troubleshooting, File Management
- Creative: Storyboarding, Visual Editing, Timing & Transitions, Audio Sync, Color Correction, Motion Design

EXPERIENCE

YouTube Content Creator – TonyJRT (Self-managed Channel | 2023 – Present)

- Create, edit, and publish gaming and entertainment videos using Premiere Pro and Photoshop.
- Manage end-to-end content production: concept, recording, editing, SEO, and publishing.
- Designed channel thumbnails, intro animations, and visual overlays to enhance viewer engagement.
- Grew community engagement through short-form content and consistent branding.
- Utilize analytics to track performance and improve audience retention.

Trading Terminal Administrator – Muthoot Securities Ltd, Kerala (2024)

- Managed trading systems, user access, and IT compliance within a financial environment.
- Provided technical support, monitored trading terminals, and ensured data security.

Infra Managed Service Associate – Accenture (2023 – 2024)

- Supported IT infrastructure, performed system monitoring, and patch management using SCCM.
- Gained experience in incident handling, system maintenance, and user support.

PROJECTS & HIGHLIGHTS

- Edited 100+ videos for YouTube (Gaming, Reviews, Funny Edits, Crossover Videos).
- Created short cinematic intros, thumbnails, and anime-style transitions for channel branding.
- Designed custom channel banner, social media posters, and Discord community visuals.

CERTIFICATIONS

- Adobe Premiere Pro (Self-learned via Online Tutorials)
- Python & Cloud Fundamentals (Accenture + AWS Educate)

STRENGTHS

- Fast Learner & Adaptable
- Creative Storytelling
- Attention to Detail
- Team Collaboration
- Strong Technical Foundation
